February 8, 2011

Members Present: Rick Carey, Simeon Geels, Ken Sauer, Henry Scott

- Minutes from December meeting read by Ken
- Simeon gave treasurer's report
 - Check to join Chamber of Commerce recently submitted
- Rick brought up possibility of putting together an East Race paddle event along with East Race Whitewater Paddling Club. Questions discussed:
 - Role for MW?
 - South Bend Sports Foundation (SBSF -- part of Chamber of Commerce) involvement?
 - Short-term "plan of attack": have focus of April MW meeting be about organizing the event and invite other potential parties such as ERWPC and SBSF; in the meantime, Rick will work toward coordinating interested parties; if enough interest, we'll try to hold the next meeting in the auditorium
 - Long-term goal: raise interest in need for water-sports complex
- Update on Paddlers Guide from Ken
 - Money all in (about \$3300)
 - Estimate in from Eureka Cartography for 1500 copies on water-resistant paper: \$3,500
 - Will wait until closer to completion and final estimate to decide on quantity and whether or not to seek additional funds / use MW funds for more copies
